DAS BÜRO

geforderte Aktenschränke in Ifm in den Büros: **159** Ifm

geplante Aktenschränke in Ifm in den Büros:
109 Ifm (EG) + 196 Ifm (OG) = **305** Ifm

+ 236 lfm Akten/Lagerfläche in den Archiven, Lagern und Registraturen

Fazit

es besteht ausreichend Reserve für künftige Akten,
neue Akten werden sehr viel geringer anfallen, weil vieles in der Verwaltung digitalisiert wird
(z.B. E-Rechnungen, Digitaler Bauantrag)
